

I Still Trust You

1st Verse

I've seen the righteous man suffer pain
When it looked like the wicked would go free
And in my frustrations it just didn't seem right to me
I prayed for sunshine, but You sent rain
I cried for healing, but only got pain
But I know Your love will see me though
Lord, I still trust You

Chorus

I still trust You, Lord
I still trust You, Lord
That you're able to guide me through
This dry barren land
When I don't know, which way to turn or go
I still trust You, Lord
So let me hold to your hand.

2nd Verse

I trust You because you've been so faithful to me
And You said in Your word
Child I'll never leave nor forsake you
You said, "lo, I'll go with you, until the end"
Your blood it has cleansed me from all guilt and sin
Your promise I'll hold on to
Lord, I love trusting You

Chorus

I still trust You, Lord
I still trust You, Lord
That you're able to guide me through
This dry barren land
When I don't know, which way to turn or go
I still trust You, Lord
So let me hold to your hand
Let me hold to your hand
