I Am Redeemed

Words & Music by: Chris Binion & Jeff Gravis

Featuring Shawn Dill

Verse 1

The sand on which I stood had shifted one too many times,
And I wondered was there anyone who could hear my desperate cries.
With near persuading words the enemy would speak,
Making things seem hopeless to try and silence all my pleas.

It was all that I could do just to take another breath,
But I kept calling out for someone to come and rescue me from death.
Then a hand so strong but gentle took a hold of mine,
And pulled me from sin's mire bringing freedom-giving life.

Chorus

I am redeemed, I've been purchased by His blood.
I am forgiven through the power of God's love.
I'm no longer stained, I've been made clean for all eternity.
Because of Calvary, I am redeemed.

Bridge

Although there are times I'm amazed at God's love for me,
I'll never doubt that boundless love that sets this captive free.
Though Satan's never ending in all of his attacks,
I remind him God's remembered to forget my sinful past...

Chorus

I am redeemed, I've been purchased by His blood.
I am forgiven through the power of God's love.
I'm no longer stained, I've been made clean for all eternity.
Because of Calvary, I am redeemed.
