

Faith Lyrics

I'm On Tour

Featuring Tim Dill

Verse 1

I'm on tour through this world,
I'm merely passing by.
For the things that I see,
Somehow they don't satisfy.
But this journey soon shall end,
And God's trumpet's gonna sound
And I'll be leaving for paradise...

Chorus

Well I'm on tour through this world,
This could never be my home.
I already have a mansion
Right beside my Master's throne
I can see the cloud a' coming,
I can hear that trumpet sound.
For this tour is nearly ended,
And I'm pressing homeward bound.

Verse 2

Well, I'm on tour through this world,
What I have is not mine.
All the silver and the gold,
I'm gonna leave it far behind.
I am going to a city,
Where the Lamb is the light.
Where there is no death or sorrow
And they say that there's no night...

Chorus

Well I'm on tour through this world,
This could never be my home.
I already have a mansion
Right beside my Master's throne
I can see the cloud a' coming,
I can hear that trumpet sound.
For this tour is nearly ended,
And I'm pressing homeward bound.
