## Outside Of Heaven

Words & Music by: Rodney Griffin

Featuring Tim & Lee Ann Dill

### Verse 1

The moments of this life are swiftly passing on.  
In the twinkling of an eye we'll find our days are gone.  
So as for me, I'm gonna think about the world to come,  
In that holy, lovely land called Heaven...

### Chorus

Outside of Heaven, there's no reason left for livin'.  
Outside of Heaven, there's no place of celebration.  
Outside of Heaven, that's where pain and sorrow's stayin'.  
There's just nothing else I need, outside of Heaven.

### Verse 2

The way for all was paid upon a rugged cross,  
Where the perfect, loving Savior bore the awful cost.  
So, friend, why would you choose the world and lose this life He bought?  
Oh, there's nothing that compares to what's in Heaven...

### Chorus

Outside of Heaven, there's no reason left for livin'.  
Outside of Heaven, there's no place of celebration.  
Outside of Heaven, that's where pain and sorrow's stayin'.  
There's just nothing else I need, outside of Heaven.

### Bridge

You see, Jesus paid the cost that day upon the cross.  
Heaven's gates are opened wide, He's calling everyone inside.  
Oh, and when His face you see, You'll never want to leave!

### Chorus

Outside of Heaven there's no reason left for livin'  
Outside of Heaven there's no place of celebration  
Outside of Heaven that's where pain and sorrow's stayin'  
There's just nothing else I need, outside of Heaven.

There's just nothing else I need, (nothing else I need, nothing else I need)  
Outside of Heaven.  
Heaven.
