

If You Had Only Seen Me Then

Verse 1

I've had my share of heartaches, been walked on once or twice
And I've had to make some changes, down this road of life
I was traveling the wrong way, down a one way street
And if you had only seen me then, you'd know I'm not the man I used to be

CHORUS

If you had only seen me then, you'd know it's never too late to start again
If I could take you back to what I was and where I'd been
You'd want what I've got now, If you had only seen me then

Verse 2

Never lived the good life, 'til I met the Lord
Now even my worst days are better than before
I'm going up the right way, never turning back
I plan to stay right where I'm at cause now I've been on both sides of the track

CHORUS
