

Fight To The Finish

(Rebecca Peck)

Verse 1

We can see all around us
There's a battle going on,
And it's hard for the Christian
To have courage and be strong.
But I want to be faithful
In the struggle 'cause I know,
It's not over 'til it's over
And the Savior calls me home.

Chorus

When others have
Backed down, turned around, given up their callin',
Walked away, gone astray, dropped the sword and fallen,
Put the holy standard of the truth of God up on the shelf.
Well, I want to be standing true, going through the battle onto vict'ry,
Liftin' high Jesus Christ, knowing He is with me,
Keeping on the armor that will quench the fiery darts of hell.
I tell you, it's a fight to the finish and I want to finish it well.

Verse 2

On my own, I can't make it,
But there's power when I pray,
And rely on the Spirit
As I trust and obey.
Gotta live for Him daily,
Give the gospel to the lost,
No retreat, no surrender,
Fight the fight at any cost.

Chorus

When others have
Backed down, turned around, given up their callin',
Walked away, gone astray, dropped the sword and fallen,
Put the holy standard of the truth of God up on the shelf.
Well, I want to be standing true, going through the battle onto vict'ry,
Liftin' high Jesus Christ, knowing He is with me,
Keeping on the armor that will quench the fiery darts of hell.
I tell you, it's a fight to the finish and I want to finish it well.

Repeat chorus

Though others might have...
