

God Will Go

(Twila LaBar/Simon Hawkins)

Verse 1

They walked in the hot, burning desert sand.
A cloud led them by day.
They held on to the promise of the Promised Land.
The Lord knew the way.
But just when Pharaoh's army came a rushin' in
Moses stood at the shore.
He stretched out his hand and the water obeyed.
Just imagine walking on a dry sea floor...

Chorus

God will go before you, God will go before you.
Just like the parting of the Red Sea,
He will clear a path to your victory.
Friend, you can make it to the other side,
The Lord will lead you through.
I know, God will go before you.

Verse 2

If you're caught between the devil and the deep, blue sea,
Help is on the way.
When you hear the rumble of the enemy,
Lift up your hands and pray.
And just when it seems like there is no way out,
Stand boldly upon God's truth.
Stretch out your faith and the waters will part,
And He will make a way of escape for you, yeah...

Chorus

God will go before you, God will go before you.
Just like the parting of the Red Sea,
He will clear a path to your victory.
Friend, you can make it to the other side,
The Lord will lead you through.
I know, God will go before you.

Bridge

You can't see the light of day... God will go before you...
You can't seem to find your way... God will go before you...
He's gonna see you through... God will go before you...

Chorus

God will go before you, God will go before you.
Just like the parting of the Red Sea,
He will clear a path to your victory.
Friend, you can make it to the other side,
The Lord will lead you through.
I know, God will go before you.

God will go before you, God will go before you.
