

To Worship You

(Caleb Collins/Joel Lindsey)

Chorus

Lord, I only want to worship you.
I want my walk, my talk, my steps, my breath
To let your light shine through.
I wanna lift your name up higher,
Giving praise where praise is due.
Lord, I only want to worship you.

Verse 1

I love the way the stars shine out your glory
And I want to do the same.
I want my life to tell of the story
of how and why You came.
Let every fiber of my being
Shine your light in all that I do.
Lord, I only want to worship you.

Chorus

Lord, I only want to worship you.
I want my walk, my talk, my steps, my breath
To let your light shine through.
I wanna lift your name up higher,
Giving praise where praise is due.
Lord, I only want to worship you.

Verse 2

For every time you've shown your grace and mercy,
I want to voice my praise.
Not that my words are every deserving
To speak your Almighty name.
But if you're pleased to hear my praises,
Then praising's what I'll do...
Cause, Lord, I only want to worship you.

Chorus

Lord, I only want to worship you.
I want my walk, my talk, my steps, my breath
To let your light shine through.
I wanna lift your name up higher,
Giving praise where praise is due.
Lord, I only want to worship you.

Repeat Chorus

Lord, I only want to worship you.
