

The Heart Of Worship

When the music fades
And all is stripped away
And I simply come
Longing just to bring
Something that's of worth
That will bless your heart

I'll bring You more than a song
For a song in itself
Is not what You have required
You search much deeper within
Through the ways things appear
You're looking into my heart

Chorus:

I'm coming back to the heart of worship
And it's all about You
All about You, Jesus
I'm sorry Lord for the thing I've made it
When it's all about You
It's all about You Jesus

King of endless worth
No one could express
How much You deserve
Though I'm weak and poor
All I have is Yours
Every single breath

I'll bring You more than just a song
For a song in itself
Is not what You have required
You search much deeper within
Through the way things appear
You're looking into my heart

Repeat Chorus

Its all about you, all about You
It's all about You, Jesus
Its all about you, all about You
It's all about You, Jesus

Repeat Chorus

Its all about you, all about You
It's all about You, Jesus
Its all about you, all about You
It's all about You, Jesus
