

Faith Lyrics

Following In His Footsteps

Written by: Rebecca J. Peck & Amy Keffer-Shellem

Featuring Bridget Dill

Verse 1

Heading down the pathway of sin and misery,
I thought that there was nothing but hopelessness for me.
Then Jesus bid me walk in the straight and narrow way
Where he said he would guide me so I'd not go astray...

Chorus

Now (And) I am following in his footsteps,
In the footsteps of Christ.
The prints He's leaving right behind him
Are the pattern for my life.
I'll go wherever He may lead me,
Contented just to know
That the footsteps I am following
Will one day take me home.

Verse 2

Brand new peace and joy abide with me always.
Life is so much sweeter every passing day,
Discovering the blessings that His presence brings.
I journey with assurance for I'm traveling with the King...

Repeat Chorus
