

Faith Lyrics

That's What He Gave To Me

Words & Music by: Chris Binion & Tim Lovelace

Featuring Bridget Dill

Verse 1

I've received life, hope, love and peace way down deep inside.
Freedom beyond measure and a smile I just can't hide.
I've found joy unspeakable as blessing come my way.
You ask me if I'm worthy, listen closely when I say...

Chorus

It's not what I deserved, it's what God gave to me.
I should have stayed bound up, chained up in a prison locked, but he had other plans for me.
When He opened the door I got so much more than knowing I was free.
I got a brand new life that I didn't deserve – that's what He gave to me.

Verse 2

A heavenly home in a heavenly place that the Lord's prepared.
Golden streets, pearly gates, jasper walls beyond compare.
I ask myself these questions: Why me? Why all of this?
And found there's just one answer and it's simply called forgiveness...

Chorus

It's not what I deserved, it's what God gave to me.
I should have stayed bound up, chained up in a prison locked, but he had other plans for me.
When He opened the door I got so much more than knowing I was free.
I got a brand new life that I didn't deserve – that's what He gave to me.

Repeat chorus
