

Do You Have His Robe

Written by Rodney Griffin

Verse 1

He wore the robe of Jesus he'd won the day before.
To this mighty Roman soldier, it was a prize and nothing more.
For he had no peace within him, He was as lost as lost could be.
He wore the robe, but he did not know the King.

Chorus

Do you have His robe or do you have the King?
Is He just a man you've known or is He your everything?
You cannot please the Father 'til the Saviour makes you whole...
Do you have His heart or do you only have His robe?

Verse 2

You come to church on Sunday, you love the songs they sing.
You appear to be a follower, a child of the King,
But still you can't remember when Jesus saved your soul.
You don't have His heart, you only have His robe.

Chorus

Do you have His robe or do you have the King?
Is He just a man you've known or is He your everything?
You cannot please the Father 'til the Saviour makes you whole...
Do you have His heart or do you only have His robe?
