

Just Keep On Praying

Written by Rodney Griffin

Verse 1

I asked Him time after time, but still He kept silent.
If He were such a good friend of mine, why would He not speak?
I prayed, " Lord, I'm bringing the same old request 'cause it's so dear to my heart."
Then He spoke so clearly and softly, "Child, do you believe?"

Chorus

Just keep on praying when it seems God won't answer.
Just keep on praying when you feel no one cares.
Jesus is listening and He holds tomorrow,
Just keep on praying, trust and believe.

Verse 2

You may feel it's time to move on to another petition.
The situation's now too far gone, there's no use to pray,
But remember, the God that we serve is the Master Physician.
He can calm the storm of your soul, keep calling His name!

Chorus

Just keep on praying when it seems God won't answer.
Just keep on praying when you feel no one cares.
Jesus is listening and He holds tomorrow,
Just keep on praying, trust and believe.
