

He Got Up

Verse 1

They laid him down in Jerusalem
The soldiers watched over the lifeless Lamb
Still as the night His body laid
But then He moved
And on the third day

CHORUS

He got up (He got up) and He walked out
No power on earth or hell could hold him down
The holy veil (the holy veil) was torn away
A vacant tomb is there to prove that He beat the grave
When He got up and He walked out

Verse 2

They'll never seal Him in again
Once and for all He conquered sin
Upon the cross He bled and died
But that was then and now He's alive

Cause, He got up (He got up) and He walked out
No power on earth or hell could hold him down
The holy veil (the holy veil) was torn away
A vacant tomb is there to prove that He beat the grave
When He got up and He walked out

Yes, He got up (He got up) and He walked out
No power on earth or hell could hold him down
The holy veil (the holy veil) was torn away
A vacant tomb is there to prove that He beat the grave
When He got up (He got up) and He walked out
Yes He got up (He got up) and He walked out (He walked out)
