

## The Sound of Hallelujah

Verse 1:

Start the music  
Let the song begin  
We are gathered  
Here to worship Him  
And celebrate the name above all names  
What a chorus  
What a melody  
When together  
The forgiven sing  
To glorify the King who ever reigns

Chorus:

Let the sound of hallelujah fill this place  
Let us come and sing a song of endless praise  
To the Lord of love  
To the God of grace  
Let the sound of hallelujah fill this place

Verse 2:

Like a river  
Flowing wild and free  
Let our worship  
Be a living stream  
That rises from our hearts to heaven's throne  
Never ending  
Never running dry  
Ever lifting  
To The Lord on high  
The song of the redeemed goes on and on

Repeat Chorus

Bridge:

Singing hallelujah, hallelujah  
Hallelujah again and again  
We sing hallelujah, hallelujah  
Hallelujah to Him

Repeat Chorus
